Dear Dick:

I had expected to see you by now, but I guess you are busy like all of us. I do hope you suffered no losses or inconvenience in the flood.

If you are in this neighborhood any time and have a minute, please stop by.

In the meantime please try and get the scorebook to me. If you cannot get by with it, please give it to Butts for me. If you come by and I am not here, leave it with either of the tenants.

The weather had got us way behind, but I am hoping we will catch up in August. We have quite a schedule home from the 8th to the 23rd. Hope to see you at some of the games.

Very Truly Yours
